OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2010-44

TO: All ISIS HR Agencies

FROM: Andrea P. Hubbard
Director

SUBJECT: Update to Long Term Care Products Added & VC-02 update

Agencies were notified in [OSUP Memorandum #2010-38](#) of the vendors that were approved for a Long Term Care payroll deduction slot per the Emergency Rule that was issued to insure continued access by state employees to long term care insurance coverage.

In completing the requirements for the payroll deduction, two of the vendors determined that they could not, at this time, meet the requirements and withdrew their request for a long term care slot. John Hancock will not be an approved vendor and Transamerica Life, a currently approved vendor with other approved products, will not offer the long term care product.

The other vendor that was approved, United of Omaha Life Insurance Company, is now the only vendor approved for a long term care payroll deduction which was effective 3/1/10 for the current 09-10 plan year.

Please refer employees to the following link on OSUP's website for currently approved vendors:
